¹ Recommend use by 12/31/03, based on time-sensitive industry comparison. Recommendation may not take into account all critical factors of specific businesses.

² Remote Access allows you to work on your QuickBooks file from any remote PC that can connect to the Internet. Any work you do remotely is automatically saved in your company file on your office PC (Your office PC must be on and have a persistent connection to the Internet, even if it isn't running QuickBooks). Internet access required. One 12-month subscription of Remote Access Service included at no charge, valid for customers who purchase and install any QuickBooks Premier 2003 product software before December 31, 2003. 12 months of service begin at the time of installation of software. After 12 months, users can subscribe to the service for a fee. Fees apply for additional subscriptions. Service subject to change.

³ Anytime, Anywhere Access lets you work on your accounting from home, when traveling, or at a customer's office. You don't even have to use your primary PC—just access the Internet from any computer with a high-speed connection. QuickBooks Online Edition requires a computer with Microsoft Windows 95, 98, Me, NT, 2000, or XP, an Internet connection (a high-speed connection is recommended), and at least Microsoft Internet Explorer 5.0 (IE 6.0 is recommended). Service availability subject to occasional downtimes for systems or service maintenance. Terms, conditions, pricing, features, and service options subject to change without notice.

⁴ Registration and agreement to terms and conditions required. Limitations apply for discounted rates.

⁵ QuickBooks Online Edition only: additional terms, fees, and conditions may apply.

⁶ Integration requires appropriate program: Symantec ACT! 3.08 and 4.02 or Interact! 2000; Microsoft Outlook 97, 98, or 2000, Microsoft Excel 97 or 2000.

⁷ Additional terms, fees, and conditions may apply.

⁸ QuickBooks Basic, Pro, Premier, Premier Accountant, Premier Contractor: Fees apply. Some QuickBooks Payroll Services features require Internet access and EIN. Features vary according to each level of Payroll Service. QuickBooks Online Edition: Optional fee-based service provided by service provider. Additional terms and conditions apply. Internet access required. Service subject to change.

⁹ Fees apply unless otherwise noted, except for QuickBooks Online Edition. Internet access required. Subject to change.
